

Dogs Deserve Better, a 501c3 nonprofit education/legislation/rescue organization, and a voice for chained and penned dogs is holding their 6th annual Chain-Off Event at the Dupage County Fairgrounds on June 28th.

Our goal for this year's event is to build awareness and educate people about the issue and cruelty of perpetually chaining and/or penning a dog.

Please support our efforts to improve the relationship our community has with its pets by signing up today to sponsor this year's Chain-Off Event.
